**ORDER SETTING BRIEFING SCHEDULE**

On June 29, 2020, the plaintiff filed a motion to voluntarily dismiss the case under Federal Rule of Civil Procedure 41(a)(2). The Court subsequently held a status conference with counsel for the parties, and during that conference the defendant and intervenors indicated that they consent to the dismissal but believe that the case should be dismissed with prejudice. The Court advised the parties that it would set a schedule for them to brief the issue of whether the dismissal should be granted with or without prejudice.

Accordingly, it is **ORDERED** that, if the defendant and intervenors intend to oppose the plaintiff's motion for voluntary dismissal, then they must file their oppositions addressing the nature of the dismissal **on or before July 13, 2020**, and the plaintiff may file a single reply in support of the motion **on or before July 20, 2020**.
